Halloween Dance Attendance Permission Slip

Dear Carl Sandburg, Fremont & West Oak Middle School Parents and Students,

October 1st, 2024

To improve the communication process and ensure the safety of our students while attending school activity nights and other related after school events, **all attendees must provide a signed permission slip upon entering the event.** In addition, all attending students **must remain at the event once they arrive & stay for the entire time.** If your student needs to leave prior to the ending of the event, a parent needs to physically come into the building and sign them out with a supervisor present.

By signing below, you acknowledge that your child will be attending the Mundelein After School Coalition annual Halloween Dance at Carl Sandburg Middle School on Friday, October 18th, 2024 starting at 6:30pm and ending at 8:30pm. Please note, there is a \$5.00 admission fee for any student attending. The permission slip and admission fee can be turned in prior to the dance at each student's applicable schools main office.

As student safety is our number one priority, we ask that you please have a conversation with your child about making positive choices in their actions and dress. Students are allowed to wear costumes. However, they must be school appropriate with no excessive blood or gore, and costume accessories must be left at home. Finally, we understand cell phones (and other personal devices) are with our students- however, we encourage families to keep these at home as to prevent them from being lost, misplaced and/or used inappropriately during the dance. Failure to comply with these guidelines and/or any other unexpected choices that disrupt the environment could result in a student being removed from the dance with a phone call from your school administrator.

✂ -----

MASC: Halloween Dance Permission Slip ('24 - '25)

Parents, please **sign**, cut, and have your child turn this in (along with their admission fee) the night of the dance.
Any student(s) without a permission slip will not be allowed entrance into the dance.
